

## **#1 (hawkins)**

I disassembled the club's DNA Lounge;  
back-in-the-day flyers:  
archive sale next week.  
Some definition's -  
how that plumbing inspector  
came out to cover...  
where?

Here.

The old bar has strict guidelines  
for the dance floor area  
the body ratio is dense  
and nowadays  
this raw structure  
has several different  
enforcers/promoters.

(^^)

## **#1 (neiva)**

Dance floors  
have been animated  
by the violence of  
hierarchy  
since the very first  
exuberant pelvis  
nod

The massive wallpaper  
removal  
recently championed by  
the authorities  
is a direct consequence  
of the glut of DJs  
on the local scene

Also: former gate crashers  
scored high on  
Big Money Test

## **#2 (hawkins)**

pop

fame

famous

devoured

spat out of the gun

slave to a rhythm, who are you?

## **#2 (neiva)**

café wives, pastoral  
machines  
distracting me  
buzzing excuse me  
gone to second-hand  
shops  
and back just in time  
to sip the cliché  
and whisper into my ear  
why – you're quite young  
but not exactly a clubber  
(not my tempo gorgeous,  
I'm afraid, not a bit)

### **#3 (hawkins)**

gigs

shift

units

tour riders

yellow m & m's

inflatable ego's punktured
