

## Soapbox 2

Shod-saddled to the age  
    where the opinion is  
        no opinion  
    (amid flag-waving  
        British-beef  
            art curatorials)  
daily vestige of rationed vines  
        gleet of neo-liberalism  
parliamentary marionettes  
    quavering the daily /  
        double-dipped  
            oar of racism  
    English excrescence  
in a hail of white shadow  
    stranger danger  
        the unknown  
    underclasss  
overcurrent  
    taking the reigns  
Littlejohn's Pathé-toned column  
    vomitorium whisk into opaque hateMAIL  
        the ever-clubbable flash fictions  
            Somali swaneaters  
            Border Control cloop  
            Mother Hood's  
                (benefit mums despised by  
                remarried now affluent

socially-upladdering  
onetime single mums)  
tut-tutting at Polish lorryloads  
Muslimism  
scapegoat sold as run of the (paper) mill  
journos who know more about  
Fox hunting than literature  
painting over Crane's rainproof *inclusive* cloud  
nostrums of opposite tax  
the contemptuous 5%  
boxticking secularism  
in King David's tinderbox  
appetite after appetite  
(getting the taste for it)  
partiality fattening  
cheek to jowl  
*armbands didn't defeat the Armada*  
Darwinist gymnasium of the mind  
survival fitness as stellar  
backchannelling Disraeli  
the self-made man  
worships his own creator  
rifle range gunneries pointed  
at the free world  
Dale Farm vs the Basildon marchioness  
Etonian fire-cult evictors at St. Paul's  
marquees over tents  
extremism over extremism  
over realism

checkmate  
BIG SOCIETY  
cheque made out

Coulson's partyhackers  
Werritty's moatcleaners  
Zionist patronage via BICOM  
kenosis in the bankyard  
the Director-in-Chief rises like a hard-on  
up 49%

the whatever you say  
say nothing  
self-sanctioned arts  
lothographically nationalising  
terrified to pirate a too-cruel sea  
prickkicking  
dumbsdowning

whitecrust  
monocled  
crotchety  
napkinned  
balloonist  
miserablist  
full of food feasts  
full of clear water  
but  
anti-African  
anti-hunger

my pulverized credit card  
seethes  
yet there's nothing to buy  
on these shelves

the country where I first saw magic

asininely amusing

the idle

the anti-magic
