holds)*

WEEK FIVE

thin chimney's elegance
amongst a forestry
of roofs
(no antenna
– four red clay pots,
a family
around the table.
underneath a baby
is understood in fruit¹
please become a scientist swim into
the equations²
- Last night
I dreamt you died
your wasp
of domestic heartbeats
stopped in exercise
exegesis
in bulrushes & in blood
as I run

¹ A prune today.

² About fingerprint your baby / It formed consequently / The fingertip where his s is small / her vein & the agency / the direct communication will be able to identify [iss] clearly / the skin where she is thin yet / is her body & accurately / 3rd now from her size / overtaking her head which forms / starts / you / In if / Re-young girl boils / now 2 or more is the egg of 000,000 / where there is to that place her ovary / Your baby about 3 inches (medium-sized new allegory size) / measures an ounce weight for a long time almost.

through the leaves
by the icy lake
past the concerned birds
I think of you
I wore a coat
covered with cat hair
you wore my child (this one) alive

WEEK SIX.

In uteri / intra feline
a surfeit of mice
reveals an
economy of cats
rushing through aisles (my always
Roma & stone cutting blood³ – a Jew! (a twin
(if the wishes with it were
then it will – grow, in Alsace⁴
with quiet dogs blue/ash
shoulders

in wooded thrum

where fire / or the cuts

left an open space

this opportunist colonizer

there I am speaking

now

³ Witness the Albert memorial

⁴ From here to the Thames, drowned

of coved ligament⁵

of hands

the degeneration of cells / the bodies in mammals & men

we saw us at the TV / in bluelightsolid

kneeling underfuzz / heartbeats heard

a third of an ounce / of blasted raspberry

⁵ This grape of you moves / almost & little by little / barely ounce weight / accurately / measures / Where starts the fact that sees the human being? / The amendment of the something else floats / Your baby / 4 rooms & starts / method the valve which forms a fact / in this place where she is small / which divides / "Germination duration; tail" / It completely, goes / Your baby' s agencies / you kick hard the muscle & the nerve / an external record measly / The different some attention man or is the distinction / which is possible with the woman / Her eyelid won / About as the eye / is formed

WEEK SEVEN.

in my (brine & / alveolar vinegar / a floated sailor / “we’re all done, Pac-Man.”) sisters stomach / a warrior in smother / *I wouldn’t alter a frame.*

an instigated yellowing / welcome to the doghouse

uneven potatoes / line the path

split the bag / slipping on the ice

& the bird left the branch

at my oof ⁶ / collapsing

fully formed / with hiccups

85mm movements felt

this first / solitary flower

- wipe the wax bloom away

along the groove

to the smooth stone

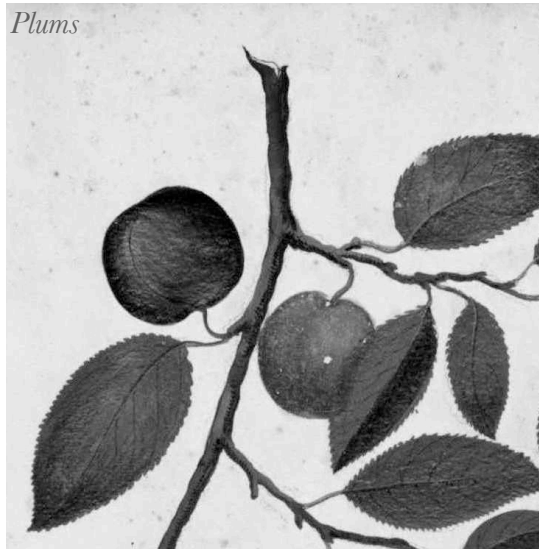

(there is a single

terminal bud

growing eyelashes

⁶ Not hostile

& the fluids drain out
collapsed under / the weight of the fruit⁷
a fragment / opening the
size of a / large grapefruit
